

# Feed Your Faith on God's Word

Do you ever take the time to go through the Bible and read all the miracles God did for people? The Bible is full of miracles that God did, and we have the same God today that they had then. He hasn't changed (Malachi 3:6, Hebrews 13:8). God has so much for us; we must never draw back from believing His promises.

The cure to doubt, unbelief and skepticism is to renew your mind to God's Word and renew your mind by reading God's Word, and keep listening to God's Word being taught. For instance, if you are believing God for healing, listen to healing tapes and CD's. This will help feed your faith. It's like one minister always said, ***"Feed your faith and you'll starve your doubts to death!"***

## How to Build Your Faith

**So then faith cometh by hearing, and hearing by the word of God.** Romans 10:17

**This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.** Joshua 1:8

**My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh.** Proverbs 4:20-22.

## What You Believe Must be Based on God's Word

Too many believers have the misconception that they're going to get from God whatever He wants them to have. So, if He wants them to be healed, He will heal them; if He wants them to be sick, He won't heal them.

Too many people believe everything they're going through in life and everything they're experiencing is something God has allowed to happen for some spiritual, mysterious reason.

**But according to the Word, that won't hold up.** That kind of belief came from religion and not God's Word. Anything that God redeemed us from is something He does not want us to have to go through. Anything that God purchased for us through Christ Jesus is something He wants us to have, and not to go without.

Remember, God wishes above all things that you prosper and be in health, even as your soul prospers (3 John 2).

Your Word of faith pastor,
