

Listen UP!

I am going to make one of the most important statements I've ever made in all my years of ministry, so please pay very close attention to what I'm getting ready to say. Stop everything you're doing. I want to have your undivided attention. Ready? Here goes:

**IT'S NOT GOING TO MAKE ANY DIFFERENCE HOW LONG YOU'VE BEEN SAVED,
HOW OFTEN YOU ATTEND CHURCH, OR HOW FILLED WITH THE HOLY SPIRIT YOU ARE,
IF YOU DO NOT PUT THE PERSONAL, PRIVATE TIME IN GOD'S WORD AND IN PRAYER,
YOU WON'T BE ABLE TO STOP SATAN AND HIS ATTACKS.**

So many churches and denominations get you so involved with their activities and functions that you don't realize you're not taking any personal time to get in the Word. I've noticed that people have a hard time leaving a church that doesn't teach the Word of faith because they have a position, title, or emotional tie to their church. Satan can get you so caught up with doing seemingly good things that you miss out on God's best, *your personal time with the Lord*. Then, when you get hit with a crisis or ailment, you can't get the victory over it because you didn't keep yourself built up in God's Word.

If you do not put the personal, private time in God's Word and prayer on a daily basis, you're not going to like what Satan puts on you. Then, you'll end up telling everybody about your arthritis, your heart trouble, your cholesterol, your back problems, and how you can't do what you used to do, or hear what you used to hear, and the list goes on... And Satan will just keep obliging you and giving you more ailments to talk about. I know people like to talk about their ailments, but I don't. I don't want to listen to it. I'd rather hear people swear than talk the curse. You don't have to do either one; you could just speak the Word only (Matthew 8:8).

Remember, God wishes above all things that you prosper and be in health, even as your soul prospers (3 John 2).
