

# Feed on God's Word Today and Every Day

Because I'm a minister, I'm probably in church more than you are, and I'm probably in more prayer meetings, ***but I never let that take the place of my personal time with God in His Word and in prayer.***

No matter what you may think, or what anybody else tells you, you will never, ever, in this life, arrive at the place, no matter how much you do for God in serving Him, or no matter how many verses of scripture you've got memorized, or no matter how much Word you have previously heard, ***you cannot afford to allow all that to substitute you being in God's Word TODAY.***

Remember, if you only put a little time in God's Word, you run a high risk of losing everything you have, because no matter how spiritual you think you are, even if you think you have all nine gifts of the spirit manifesting through you, and even if you have the title of bishop before your name, that's all going to be *worthless* when it comes to resisting Satan and his attacks. No matter how good a person you may think you are, and no matter how many years of good works you may have done, none of this is capable of stopping Satan. You are the only one who can consistently stop him in your life.

The only thing that's going to make a difference in your life when it comes to living in divine health is what you've personally done with your personal time in God's Word. Nothing will stop Satan from harming you, except you using the sword of the spirit in Jesus' Name.

**Little time in the Word = little or no results.**

**Much time in the Word = 100-fold return.**

Remember, God wishes above all things that you prosper and be in health, even as your soul prospers (3 John 2).
